EDUCATION AND MUSLIMS IN INDIA SINCE INDEPENDENCE

India has witnessed unprecedented development in the sphere of education since Independence. But Muslims are lagging behind in this field. They are below the national average in education. The problem of Muslims assumes special importance in the prevailing atmosphere in our Country. This volume of articles includes the role of education and situation during the post independence years with special reference to Muslims in India. The contributors are eminent scholars and prominent intellectuals in the field of education. An attempt was made to incorporate an article on each state. Three articles throw light on the madarsa education also.

Contents : Preface 1.Muslim Participation in Distance Education -A case Study (KM Pathusha) 2.Identities and the Nation :Culture Language,Religion and Education in India(Suresh Chandra Shukla)3.Mother-tongue Education :A Socio-linguistic Perspective (AR Fatihi) 4.
