# INSTITUTIONS AND ASSOCIATIONS OF THE MUSLIMS IN CALCUTTA

**This is the primary survey of some of the basic Muslim Institutions like mosque Makita's, madras's, primary, secondary and higher secondary schools in the city of Calcutta .The main object of the survey has been to obtain accurate knowledge about the mode of their functioning and the nature of the problems faced by them.,to facilitate reformatory and welfare work,by creating awareness of the problem they face.The institutions are normally the mirrors of the society in which they are situated and institutions in Calcutta are no exception.The study suggests that by putting the institutions on right track a lot of desirable change can be brought about.in the society leading it to progress and prosperity.**
