Non-Performing Asset (NPA)

A Non-Performing Asset (NPA) is a credit facility in respect of which the interest and/or instalment of principal has remained past due for a specified period of time. It is an asset which is tagged as non performing when it ceases to generate income for the lender.

Write-off

A Write-off is a reduction of the recognized value of something. In accounting, this is recognition of the reduced or zero value of an asset.

Mecca Masjid, Hyderabad, Telengana

One of the oldest and the largest mosques in India, Mecca Masjid is made of soil and bricks exported from Mecca in 1654. It is called the Mecca Masjid as the design is inspired from the Grand Mosque in Mecca. The 75 feet high mosque has the capacity to accommodate 10,000 people at one time for prayers. The mosque is situated in the city of Hyderabad and is at a distance of 100 yards from Charminar. The Sultan Mohammad Wali Shah had got it constructed by employing almost 4,000 laborers and workers. It took about 7 years to finish and was finally inaugurated during the reign of Aurangzeb.
