

Five-Day Online Winter School Programme In Islamic Studies From February 20-24, 2024

Organized by
INSTITUTE OF OBJECTIVE STUDIES
162, Jogabai Main Road, Jamia Nagar
New Delhi-110025

The Institute of Objective Studies (IOS) Winter School Programme in Islamic Studies is being started with a view to imparting basic but deep knowledge to the university students pursuing professional disciplines like Graduations and Masters in business studies, science, computer science, engineering and medicine etc. It is also an outreach programme in that we want to introduce the IOS, to a new and larger audience particularly the students who are future leaders in medical science, technology and business studies. These students are a very bright section of the young generation with potentials to become leaders and decision-makers in their respective fields. It is, therefore, very necessary to acquaint them with the fundamental teachings of Islam as well as the great role that Islam played in the making of global human civilization.

Core Courses:

- Islam as Faith and Civilization
- Revelation and Its Application (Focus on sources of Shariah that led to the emergence of Fiqh)
- Fundamentals of Islam, Islamic sciences
- Islam and Knowledge
- Non-Muslims in Islam and Muslim History
- Islam and Multi-culturalism
- Non-Muslims in the Arab Islamic world
- Non-Muslims in the Arab-Muslim world
- Non-Muslims under Muslim Rule in India
- Globalization: Definition and Critique
- Islam and Modernity/Westernization (Islam and Secularism, Islam and Terrorism, Islam and Sectarianism. Islam and Contemporary World, Islam and Secularism, Islam and Liberation Movements, Islamic State in the Modern World).

The above themes have been selected keeping in mind the special target students and teach them how Islam is relevant, and can become the major player in the world we are living in. The focus is on being relevant, both religiously and professionally.

Objectives:

- To equip the target students with basic and deep knowledge about Islam as faith and source of global Islamic civilization.
 - To educate about the Islamic worldview and how Islamic Sciences, Quran, Hadith and Fiqh developed.
 - To enable students understand and analyze the Muslim contribution to world human civilization and how Islamic intellectual renaissance is possible.
 - To prepare students how to cope with the challenges of modernity and Westernization from an Islamic perspective.
 - To equip students with the Islamic knowledge to live and succeed in the globalized world as follower and torch-bearer of Islam.
